

Llama Fiber Cooperative of North America Membership Application

Membership Requirements – The board of directors encourage you to become an owner-members in order to promote llama fiber. The Bylaws outline all the requirements and below are ones that you will want to consider prior to applying. You may wish to contact one of the board of directors to discuss any questions prior to applying (see the Contact tab).

- Owner-members shall contribute usable llama fiber and labor hours to the cooperative on an annual basis. All llama fiber must come from animals raised in the United States or Canada. Initial you understand: _____
- Owner-members shall either (a) contribute fiber which has already been sorted, or (b) contribute fiber and labor hours sufficient to sort the fiber that is contributed in that collection year or (c) contribute sorted fiber to a sorting event where it can be processed. All fiber will be sorted according to the guidelines established by the Board. Initial you understand _____
- Owner-members shall provide an employer identification number or social security number to the cooperative for the purpose of maintaining records of profits and reporting to state and federal tax agencies prior to any patronage payments. Initial you understand _____

You will be contacted by a LFCNA representative upon acceptance of the application.
